Dear Sponsors,

I would like to take this opportunity to thank all of you for the past support you have provided to the MBCEA on both a national level as well as our local chapter. As the incoming president of the Carolinas Chapter I hope that I can count on your continued support during my 2 years on the hot seat. I look forward to the chance to meet with you about future opportunities and partnerships as well as ideas to continue the growth of our organization.

With your continuing support, we will be able to proceed with the work in assembling the best network on the East Coast of Manufacturers, General Contractors, Erectors and Suppliers. As many of you know that have served on this board the efforts that each member puts forth is strictly on a volunteer basis, we were recruited and charged with the mission to leave this organization better than when we joined. In 2009 our industry stepped back into one of the most devastating financial crises in my lifetime yet the MBCEA-Carolinas grew its membership by 7%. That growth can only be attributed to the hard work of an organization, its members and their commitment to our industry.

The time and effort it takes to put forth the spring and fall chapter meeting and our summer retreat at Hilton Head is tremendous. The board and its advisors are always trying to satisfy the current as well as the future needs of our membership. Weather it be through training field hands on the latest OSHA laws or teaching project managers to develop relationships with clients it cannot be done without your support.

I would like to ask that each of you consider the sponsorship of the MBCEA-Carolinas through donations for our upcoming meetings. It is not our intent to burden any one sponsor so please feel free to spread your contributions out. I've attached a sheet with our upcoming events for 2010 and requests that if you can please sign and return with a commitment for your chapter.

I sincerely hope that we can count on your continued support and look forward to seeing you at the upcoming Speedway Event.

Sincerely yours,

Reggie Moore
